

Asian Americans make up **nearly 14%** of the County's (almost) 1 million residents. To connect our growing and vibrant Asian American community with other communities, and to **showcase the rich diversity** of Asian American community resources and organizations, the County Executive's Asian American Advisory Group is hosting the **Asian American Heritage Month kick-off event...**

Asian American Community Resource Fair

Mini-seminars (30 min) on topics related to job search, business development, senior services, healthcare, and public safety.

Asian American organizations in culture, arts, education, business development, social services, and advocacy.
